

IN THE SPECIFICATION

Please insert a paragraph on page 15 line 6 as follows:

Figure 4 illustrates a representation of a toner particle 14. A representation of a dispersion diameter 15 of the wax component of the toner particle 14 and the diameter 16 of the toner particle is shown.

Please amend the paragraph bridging pages 20 and 21 as follows:

The developing unit may be for a dry developing or wet developing, and may be a monochrome developing unit or a multi-color developing unit. Examples are units comprising a stirrer which charge the toner or the developer by friction stirring, and units comprising a rotatable magnet roller. A stirring roller 13 is illustrated in Fig .1 as part of the developing unit.
